Johnson--Rye

One of the most quiet weddings of the season took place in this city Monday evening at the home of the bride's parents, Mr. and Mrs. A. P. Johnson, when Mr. Wayne Thomas Rye, of Paducah, and Miss Lula Johnson were married by the Rev. L. T. Allison. The bride is the only daughter of Mr. and Mrs. Johnson, and is but seventeen years old. The groom is one of the state's splendid engineers who helped to survey the road from Virden to Lulbegrud last winter, and who has just completed some road surveys in Harlan county.

Some Motor Trip

Mr. E. C. Vollmer and family, and Mr. and Mrs. Joe Mountz and little son, made a most successful and pleasurable trip in Mr. Mountz's new Ford last week. They visited a sister to Mr. Vollmer at Chillicothe, Ohio; another sister to Mr. Vollmer at Columbus, Ohio, where they attended the Methodist Centenary. From there they came back to Lawrenceburg, Ind., where they visited a sister to Mrs. Vollmer, and returned home Sunday. Joe says their Ford behaved very nicely, troubling him with but two small punctures on the entire trip.

Akron Visitors

After a very pleasant visit with relatives in Estill and Powell counties, Mr. and Mrs. G. B. Wiseman and little daughter left yesterday for a brief stay with his brother, Henry Wiseman, in Clark county, and then leave for his new home at Kenmore, Ohio. Mrs. Wiseman will visit the Clark county folks and then return for another week's stay with her parents, Mr. and Mrs. John W. Mize, at Vaughn's Mill, before returning home.

Consolidated School Begins

The Waltersville consolidated school began Monday morning with Prof. Franklin Margison and Mrs. Myrtle Burgher teachers. This is the largest school in the county outside of the towns of Clay City and Stanton, and two of the best teachers of the county have been secured to teach this school. Most all of the schools of the county are now in progress of teaching.

Fiscal Court Meeting

The Powell Fiscal Court will meet at Stanton today to consider bids for the construction of three miles of road in the western portion of the county to connect with the Clark county line. Here's hoping fair bids can be had, and that the work will be completed this fall before bad weather sets in.

All to Sell For \$2.20

The greatest of all wheat crops has just been harvested in this country and is now being threshed. The crop is estimated at one billion bushels. None of this wheat can be legally sold for less than \$2.20 per bushel. What a handsome sum! \$2,200,000,000.00 for a wheat crop.

Listen to This

W. P. Kincaid, of Richmond, is here visiting his parents, Mr. and Mrs. James Kincaid. Mr. Kincaid resided at Starford until moving to Richmond about one year ago. He told us he was a close neighbor for ten years to W. H. Shanks, who at present is running for Lieutenant Governor. He said that during that time he never heard any man, woman or child, black or white, speak evil of Bill Shanks. He said Mr. Shanks was a high-toned Christian gentleman, and a man well qualified for the position of Governor. Mr. Kincaid said, that while he was a Republican, as we all know, if Bill Shanks were the Democratic nominee for Lieutenant Governor, he would search well the record of his Republican opponent to establish his worthiness before voting against his deserving old neighbor.

Ready for Your List

The Tax Commissioner has opened office in the court house, occupying the Circuit Clerk's office. Mr. Romulus Jackson is looking after taking the lists for John F. Woodard, the Tax Commissioner. Don't wait for the Assessor to come around, for that is a thing of the past. You must call at the county seat and give your list.

Captain Howell Here

Captain Andrew Howell, of the U. S. Army, was here yesterday a visitor of his uncle, T. J. Kirk. Captain Howell has been with the colors for seventeen years, climbing to his present rank from a buck private. He has a brother with the Navy. Captain Howell is a native of Miller's Creek, Estill county.

Teachers' Institute

The Powell County Teachers' Institute will be held at Stanton, beginning July 28 and ending August 1. Prof. G. D. Smith, of Eastern State Normal School, will instruct the Institute. The public is cordially invited to attend.

Bank Report

The Clay City National Bank has one of their splendid reports in this issue of The Times. It shows business amounting to almost a half million dollars which speaks much for bank and customers.

Threshing in Sway

Wheat threshing is under way in the county. The crop is disappointing both from point of yield and quality of grain. The same is the report coming from many of the counties of the state.

Card of Thanks

We take this method of extending our sincerest thanks to those persons who so tenderly and sympathetically rendered assistance in the sickness and death of our dear baby, Frances.

Mr. and Mrs. R. O. Bowman.

Two excellent correspondents are unavoidably forced out this week owing to lack of space, but will be printed next week.

We Must Decline

A communication comes to this office from Wolfe county attacking one of its candidates in the field for Representative. We must decline to publish this, as both Mr. Stamper and Mr. Hollan stand the same to us. We like each of them, and while we like money too, we shall not take any amount of it to deny one to the advantage of the other. While this communication did not come from either of these, it is a bad policy for party success to have hard things said of the candidates and published even from outsiders.

The people of Wolfe county know these men, and it is their vote that will decide the contest. The votes in this county will be about equally divided between them we should judge.

School Per Capita Increased

The school per capita has been increased to \$6.10 which is 85 cents higher than ever known in this state and means a total expenditure of \$650,000 more for the schools of the state than any previous years. The county school funds have also been increased on account of greatly increased assessment and certain portions of the dog tax.

Shanks in Clay City

W. H. Shanks, of Lincoln county, candidate for Lieutenant Governor, was in Clay City Tuesday morning getting acquainted with the voters. Mr. Shanks is a very pleasant gentleman and his trip to this county has made many votes, it seems.

An Open Letter

Irvine, Kentucky, July 14th, 1919.

To Hazard Herald, Hazard, Ky.

In your issue of June 19th, you make mention of the fact that certain candidates for Railroad Commissioner in the Third District had withdrawn in favor of Mr. Eversole, and in this article you intimate that Judge Allen Cisco and I should go to work and have our brothers, Clay Cisco and E. C. Kash withdraw.

You also say that "Mr. Cisco and Mr. Kash were requested to attend the candidates' meeting, but did not do so." I am writing to advise you that E. C. Kash was not advised of any such meeting, and I was not advised of it, and no one was advised of it, until after it happened. I am informed by Judge Cisco that he had no notice of it. It was a well known fact that my brother was a candidate at that time, and also that Mr. Cisco was a candidate. Therefore, it cannot be said that E. C. Kash is in any wise bound by the action of a meeting to which he was not a party and of which he had no notice.

At the State Convention at Lexington, a Ninth District man, J. L. McCoy, was a candidate for Secretary of State, and he withdrew in favor of Judge Fred Vaughan, of Paintsville, in the Tenth District. The Ninth District has no candidate on the State ticket. The Ninth district has more counties in this Railroad Commissioner district than any other Congressional district.

We are entirely in the interest of party harmony. We are in the fight primarily to help the Republican ticket in November, and this we expect to do. My brother, E. C. Kash, has always been an active and consistent supporter of the Republican party and its candidate and will continue to be.

We are willing to leave it to the Republicans of this entire Railroad Commissioner district as to who their candidate shall be.

Yours truly,
Kelly Kash.

here is excellent, but on account of the scarcity of sugar, the people are not canning as many as they would like to have.

Misses Anna M. Clark and Margaret Lee Mansfield were in Winchester Monday, where they attended the Redpath Chautauqua and heard Bohumir Kryland and his famous band.

T. R. Jackson, from Louisville, visited his mother, Mrs. Lucy Jackson, last week. He brought his little grand-son, Harry Redmon, to visit his grand-mother, Mrs. James Welch, for a few weeks.

Where Does the Drink Money Go

"Already I am beginning to realize what a real blessing in disguise is this latest of benefits that has come to America in the nature of a sacrifice growing out of the great world war," said a Louisville citizen a few days ago after the war time prohibition act became effective July 1st.

"I was never what could have been termed a 'slave to drink.' I, like thousands of other Louisvillians took my 'nip' perhaps oftener than occasionally. I liked my 'appetizer' before my luncheon, and in the evening a cold bottle was very welcome.

"And, so far as I can see, it never injured me. Of course when the taxes on liquors pyramided, and the price went up to unheard of figures, I noted the cost, but as it was in harmony with all other commodities in these days when the cost of living is common talk, the amount I was spending daily for my drinks did not appall me.

"But July 1st when I went out to lunch I could not get my little old lime toddy, and I was just 25 cents in. When I returned to my desk a postman happened in and as usual his big badge showing that he had Saving Stamps for sale thrust itself on my gaze. I had that quarter in my pocket that I had saved from my midday drink. I spent it for the stamp. Then I got to thinking. I figured to spend every cent that I formerly spent for drinks for these little baby bonds.

"They say figures won't lie. But when I estimated what I had spent in a year for something that really did me no perceptible good, and then figured what I would have at the end of a year if I put this money in Savings Stamps, drawing interest at the rate of four percent compounded annually, I was amazed. Just figure it out for yourself, and you will probably do as I am now doing, thinking that those legislators of ours down in Washington were doing better than they knew when they enacted this prohibition law that is so bitterly denounced by many."

B. J. Rogers, better known as "Bad John" is about to succeed in the U. S. Court at Richmond in the suit for the possession of a tract of land on Ball Rock fork of Big Millers' Creek and in the heart of the Big Sinking oil pool.

O tell us ye that are "posted" how long it will be until we can hear the honk of the Automo Billy Wagon knocking the mud holes dry up Cow creek. We venture a guess that it will be "when couch shells turn to silver bells."

Matt Benningfield shot and killed a rattle snake Monday of last week with seven rattles and a button, the first snake of the kind that has been seen close here for some time.

H. S. Ewen was down Sunday with relatives. He brought his little daughter to the home of Milton Conlee to attend our school. Mr. Ewen is still holding store on Big Sinking.

Sunday School has changed to morning instead of evening. We would be glad to have better attendance. We are having more interest in our Sunday School this year than we have had for some time.

Albert Welch passed through here Friday going home from the oil fields near Sinking to spend a few days until his head gets better. While tool dressing he got hit with a hammer, seriously cutting his head.

There was an oil drill brought to the farm of Mrs. Mandy Townsend last week. There will also be one brought to Duggie Townsend's place this week. We hope how soon the men can have work at home and not have to go so far away.

The cheerful smile has come back to "Uncle" Dave Martin's

face since the news came to him that his son, Aubrey, will be home soon, accompanied by Jame Wymore. We are glad to hear of the boys coming home.

Although, it will be sad for James as his father died while he was in France, but his many friends will welcome him in their homes.

Rev. Shirley Sparks and family were visitors to Morris creek and attended church there last Saturday and Sunday.

The many friends of Charley Pasley will be grieved to know his mind is not any better. His general health is somewhat improved.

Green Bowen, of Middletown, O., has been visiting his parents here, and Misses Maude and Annie Bowen returned with him for a short visit.

Rev. J. M. Adams, of Levee, filled his appointment here last Saturday and Sunday, and also preached at Nada Sunday at 4 p. m. J. H. Johnston, of Ohio, expects to be here the 2nd Sunday in August.

Two twin infant children of Mr. and Mrs. Clay Centers were buried in the same coffin at Nada Sunday evening after a lingering illness of diarrhoea. This is the third child they have lost during the year. We extend to them our deepest sympathy in their sad bereavement.

Mr. Editor I wish to correct a mistake in regard to Mrs. Congleton's maiden name. She was before marriage Roena Howe, of a very fine family, and suppose her descendants could be traced back to the Howes that fought in the revolution. I wish to mention the names of Miss Gladys Welch and Mrs. Lena Drake, of Rosslyn, among those attending the funeral of Mr. Congleton.

We are glad to read the letters of appreciation from our friends and relatives in regard to our county paper, and if the editor could see how eager each member of the family is to get this clean newsy sheet he would know how glad we all are, but remember, it takes money to run a paper, so let us all keep paid up, I am sure the editor would appreciate this more than anything we could say, so let us keep The Times going.

Squire Proffitt held his first court here the 5th. Audney Combs was held over for Circuit Court. His bond was \$500.00, which he readily gave. In an alternation, some time ago, Combs was accused of cutting William Helton, son of R. L. Helton. The entire community is grieved because of this occurrence, and it is hoped it will be settled and the boys will be friends again.

I wish you all knew the many different articles we carry for men and boys. Suits, Underwear, Raincoats and Overcoats, Hats, Caps, Shoes in leather, kid and canvas, Sox, Ties, Shirts, Collars, Jewelry, Gloves, and the good old denim and khaki Overalls. Mrs. Fannie W. Williams.

Audney is quite a hard working boy and was never into trouble of any kind before.

We are glad to have some officers in this end of the county. We now have the County Attorney, Magistrate and Constable. Surely we will be law abiding citizens. But, when old John Barleycorn dies, and he is sure to die, we won't need so many officers, for there won't be so many law breakers. We are not citizens if we don't see that the dry law is enforced. The traveling saloons in suit cases had better be careful when they dump off at Slade for we don't intend to have you here. You are not wanted here or any where else, among decent people, so go where you are invited and wanted.

PREACHING ON SUNDAY

CASH SYSTEM

Upon deliberate thought and consideration we have decided, beginning Monday, July 14th, to do a strictly cash business, feeling sure that we can be of greater and better service to our many patrons and the community at large by giving them better prices for cash. By our paying cash we can get the best prices from the best manufacturing and jobbing firms which enables us to sell at closer prices for cash. We thank you and duly appreciate your patronage in the past, and ask that you let us show our appreciation of same by saving you money under a cash system. There are other reasons too numerous to mention why we can save you money by a cash system, some of which are time and expense of bookkeeping. After our many years of pleasant and successful business with you we would not make this change did we not know that we could make it to the interest of our patrons.

We can not here, of course, quote prices on everything we handle, but the following are prices we are making on some articles that are daily family use:

Perfection Flour 96 lb.	\$6.50	Shine-All, per cake,	\$.05
Lexington Maid "	6.50	Rolled Oats, two for	.25
Roasted Coffee per lb.	.30	1-2 lb. net can Salmon	.10
Silver Leaf Lard 50 lb.	19.25	Tomatoes, 3 lb. cans	.20
Meat, per lb.	.37 1-2	Star Tobacco, per lb.	.85
Jewel Soap, per cake	.04	Bourbon Poultry Cure	.50
Lenox " "	.05	Porter's Healing Oil	.25

If you save a penny on each 5-cent article, how much do you save on a dollar?

Remember that we carry as nearly as possible everything called for.

We are glad to state that Mr. A. G. Smathers, of Mt. Sterling, a merchant of many years experience, is now connected with our firm.
